

THE ALFA SPIDER IS BACK

Finally there's a spider that will give you the shivers in all the right ways. Like its iconic cousins of the past, the Alfa Spider is created for those who are truly passionate about the vehicle they drive. Launched at the Geneva Motors Show in 2006, it immediately took out the Cabrio of the Year award. Available as either a 2.2JTS or 3.2JTS V6, the Spider's standard equipment is far from standard; including state-of-the-art safety systems and an unparalleled level of luxury. All for a starting price of only **\$69,990*** To book your test drive call your nearest Alfa dealer today, or visit us at alfaspider.com.au – on the web.
